

```
graph LR; AC[Application Component] --> BP[Business Process]; BP --> Exit[ ]
```

The diagram illustrates a flow from an 'Application Component' to a 'Business Process'. On the left, a light blue rectangle labeled 'Application Component' has two smaller light blue rectangles stacked vertically on its left side. A black arrow points from the right side of this rectangle to a yellow rounded rectangle on the right labeled 'Business Process'. To the right of the yellow rectangle is a large, hollow black arrow pointing to the right.
